

# BEAVERTAIL SKIFFS

## Lightning<sup>20</sup>

## Lightning<sup>20</sup>

**LOA:** 20'

**Beam:** 82"

**Draft:** 10" +

**Fuel:** 48 gal

**Livewell:** 35 gal

**Gross Wt:** 1200 lbs

**Power:** 150 - 300 hp

The 20' Beavertail **Lightning** is truly a game changer for the high horse power, high speed tournament angler. With Beavertail's proven track record in the shallow water skiff market we were asked over and over to develop a larger hull that could handle higher horse power combined with a platform that offered ultimate in 360 degree fishability, worthy of the extreme tournament angler. The **Lightning** will get you there faster and drier in even the roughest conditions!

### Features:
