

# BEAVERTAIL SKIFFS

## Micro 16

**LOA:** 16'8"

**Beam:** 60"

**Draft:** 5"

**Fuel:** 8 gal

**Livewell:** optional - 10gal

**Gross Wt:** 400 lbs

**Power:** up to 30 hp

The 16'8" Beavertail **Micro** takes its DNA from the legendary 17'6" Strike, one of the most popular technical poling skiffs on the market today, and distills it down to the purest technical fishing platform Beavertail has ever built. With a true 5" draft when fully loaded with anglers, fuel and gear - the **Micro** will take you to places that only kayaks could previously reach and bring you back home with our signature dry ride.

### Features:
